

## 2019 - 2020

### Delivery of Legal Services in Response to COVID-19 Pandemic

This special committee shall identify issues resulting from the COVID-19 (coronavirus) pandemic that are impacting the legal system, the legal profession, and the delivery of legal services. The committee shall identify and coordinate solutions to those issues, as well as identify resources necessary to carry out those solutions. The committee shall also serve as the State Bar of Georgia's representative to the joint task force on the delivery of legal services in response to the COVID-19 pandemic and will carry out the mission of that task force.
